

## Docker basics - Working with a Docker Registry

**Visit the official Docker hub**

<https://hub.docker.com/>

[consider making an account, it's free to host public repos]

**Official PostgreSQL image**

[https://hub.docker.com/\\_/postgres/](https://hub.docker.com/_/postgres/)

**Official Redis image**

[https://hub.docker.com/\\_/redis/](https://hub.docker.com/_/redis/)
